Hello XXX Corporation

message

Information on new subsidy "XX"

Please prepare XX documents as soon as possible!

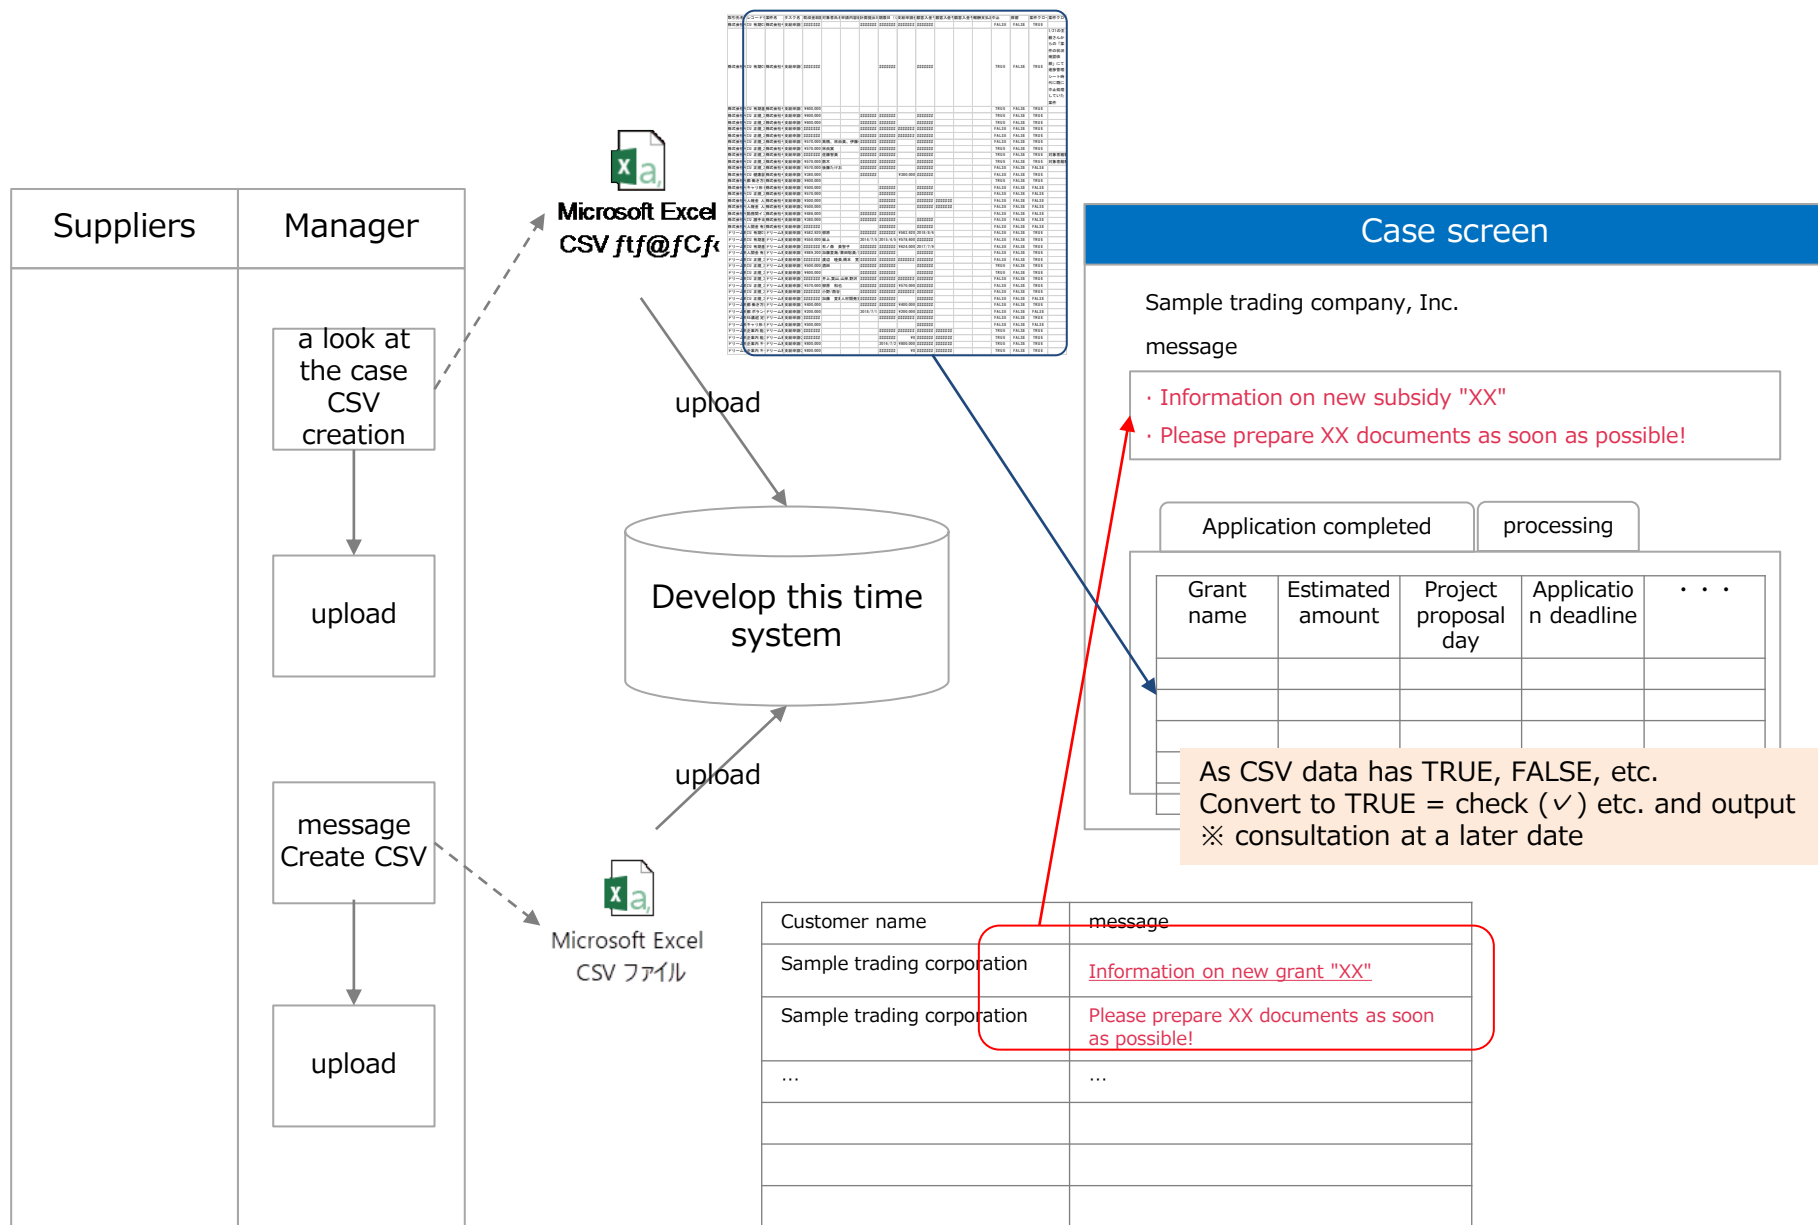

Application completed

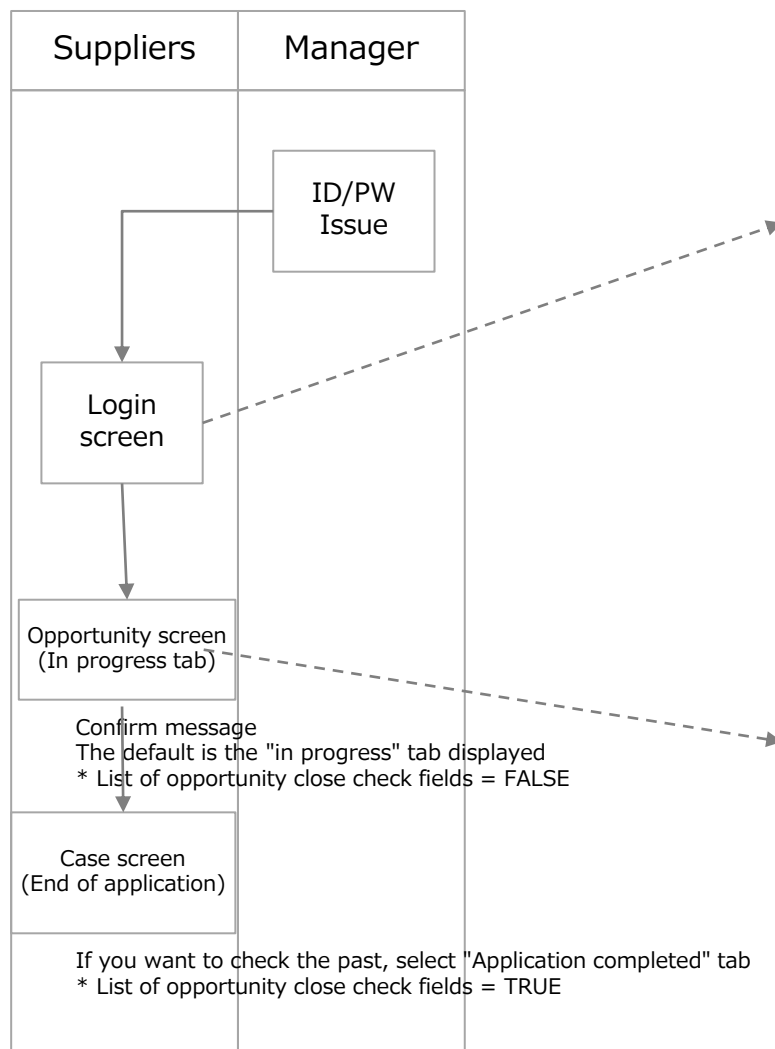

processing

Grant name	Estimated amount	Project proposal day	Application deadline	...

We are assuming the same items both while the application is completed and in progress.
It is currently under consideration at which stage to transfer the application.
※ When the value enters the XX column etc.

- The above is the minimum item.
- The layout is provisional. (It is also possible to change)
- As the screen you see directly, I would like you to consider the design.
